On January 25, 1995, BellSouth Telecommunications, Inc., d/b/a South Central Bell Telephone Company ("South Central Bell") filed a motion for leave to respond to certain of the Attorney General's data requests on its premises rather than by filing a copy with the Commission and serving parties of record. On January 27, 1995, South Central Bell filed a supplemental motion requesting that an additional item be produced on-site rather than at the Commission. These will be addressed below.
